LOOKING AHEAD

- Promotes a convention for the Human Rights of Older Persons
- Contributes through the Stakeholder Group on Ageing to follow-up and review of the United Nations 2030 Agenda for Sustainable Development
- Works to mainstream ageing within the United Nations system
- Collaborates with the Group of Friends of Older Persons and other ageing networks internationally
- Organizes the annual celebration of International Day of Older Persons at the United Nations
- Observes and supports events to celebrate World Elder Abuse Awareness Day (WEAAD)

LOOKING BACK

- Committee founded in 1977
- Participated in the First and Second UN World Assembly on Ageing 1982 & 2002
- Through the Stakeholder Group on Ageing, achieved references to “older persons” and “of all ages” in the 2030 Agenda for Sustainable Development

COMMITTEE ACTIVITIES

- Holds monthly presentations and discussions on critical emerging issues
- Collaborates with the UN on Implementation of the Madrid International Plan of Action on Ageing
- Organizes special events during intergovernmental meetings of the United Nations
- Networks and dialogues with United Nations governmental representatives and NGOs
- Provides timely information for committee members and their organizations
MISSION STATEMENT

The NGO Committee on Ageing, NY works to raise world awareness of the opportunities and challenges of global ageing.

The Committee advocates within the United Nations community to further integrate ageing into UN policies and programs, to encourage member states to include ageing needs in social policies and programs, and to recommend policies and programs to encourage member states to include ageing needs in social policies and programs.

The Committee is a valuable resource for economic and social policies, and to encourage member states to include ageing needs in social policies and programs.

The NGO Committee on Ageing, NY works to raise world awareness of the opportunities and challenges of global ageing.
