AGEING

*Building A
Society For
All Ages*

www.ngocoa-ny.org

MISSION STATEMENT

The NGO Committee on Ageing, NY, a member of the Conference of Non Governmental Organizations, works to raise world awareness of the opportunities and challenges of global ageing.

The Committee advocates within the United Nations community to further integrate ageing in UN policies and programs and encourages member states to include ageing needs in social and economic policy considerations.

GOAL

The goal of the Committee is to further the United Nations mission of building a society for all ages.
