Building Awareness of Aging Issues Across the Life Continuum
How Intergenerational Collaboration Benefits All Causes

*A Joint Program of the NGO Committee on Ageing/NY, and
The Global NGO Executive Committee(GNEC)*

Tuesday, December 9, 2025
10:00-11:00 AM ET

- Engage with NGO leaders of different generations to highlight and discuss aging issues, their perspectives, and what we all can do to ensure human rights and full participation in our own future, regardless of age.
- Find common interests across the generations—workforce, climate, mental health, innovation
- Learn how to develop and implement intergenerational policies and programs, and how to infuse aging issues in your work.

**MODERATED BY: DR. CONNIE SENSOR, UN REPRESENTATIVE FROM LEAGUE OF WOMEN VOTERS
GLOBAL NGO EXECUTIVE COMMITTEE & NGO COMMITTEE ON AGING**
