In Conversation with Dr Alexandre Sidorenko: Older People of Ukraine in the Time of the Russian Invasion

Senior Advisor, European Centre for Social Welfare Policy and
Research International Tutor, International Institute on Ageing

📅 06 May 2022

🕒 07:00 - 08:00AM EDT

Greetings,

The current conflict in Ukraine is disproportionately affecting the older people. Despite the enormous number and percentage of older people in conflict-affected areas, decision-makers - as well as humanitarian actors—seem to have paid little attention to this most vulnerable category of individuals.

As an expert in international policy and programmes on ageing, Dr Sidorenko will share his extensive experience on productive and constructive work for and with older people in our society.

Date and Time: Friday 6th May 2022
7:00-8:00 am (Eastern Time)

Opening Remarks: Dr Alexandre Sidorenko
Senior Advisor, European Centre for Social Welfare Policy and
Research
International Tutor, International Institute on Ageing
