

Greetings,

COVID-19 has taken the lives of over 1.1 million people globally. Grieving this loss of friends, family, colleagues, and loved ones may be more difficult than ever before in light of infection prevention and control (IPC) protocols, social isolation and travel restrictions. In this IFA Virtual Town Hall, Dr. Alexandre Kalache, President of the International Longevity Centre - Brazil and former Director of the Ageing and Health Programme at the World Health Organization, leads a discussion around the humanity of death and bereavement amid the ongoing challenges of these unprecedented times.

Date and Time: Friday 30th October 2020
7:00-8:00 am (Eastern Daylight Time)

Opening Remarks: Dr. Alexandre Kalache
President
International Longevity Centre - Brazil
